Videos and Views – "Living on One Dollar"
Tuesday, September 22 at 7:00pm
Join Lois Nelson for this new online discussion group. We will be watching and discussing videos of various topics. This month, we will watch the documentary, “Living on a Dollar.” In the film, four young friends set out to live on just $1 a day for two months in rural Guatemala. Armed with only a video camera, they battle hunger, parasites, and extreme financial stress as they attempt to survive life on the edge. An unimaginable reality for most young Americans, the challenges they face are real and plague over 1.1 billion people around the world. While the friends quickly learn there are no easy answers, the generosity and strength of Rosa, a 20 year old woman, and Chino, a 12 year old boy, give them resilient hope that there are effective ways to make a difference. Runtime is 56 minutes. Click here to register. Questions? Contact Lois Nelson at lnelson@oursaviours.org.

World Walking - Let's Walk to Bethlehem!
Orientation “How To” Zoom Class, Tuesday, October 7 at 7:00pm
The Our Saviour’s staff has gotten us started! Due to the pandemic, many of us are already doing more walking. Why not join together as a group, adding our steps/miles together to walk virtually to Bethlehem?! Get your whole family involved and invite some friends! There are two ways to join: You can simply download the free World Walking app by Papertank Limited to your phone, or you can create an account online at worldwalking.org. Once you create an account, look for the Our Saviour's group and join the walk. You can connect the app to your Fitbit or pedometer in your phone to track your steps/miles and they can be added to the walk through the app or manually online. We’d like to reach Bethlehem before Christmas; we really don't know how long it will take. The distance is 17,374,324 steps, so we need some walkers! You can join in at any time. Want to learn more? Register for a Zoom class on Tuesday, September 8 to help you get started. Click here to register. Questions? Contact Lois Nelson at lnelson@oursaviours.org.

Videos and Views – "Down to Earth," The Earthing Movie
Tuesday, October 20 at 7:00pm
Join Lois Nelson for this new online discussion group. We will be watching and discussing videos of various topics. This month, we will be viewing the 15 minute short film from the award winning, feature length documentary directed by Josh and Rebecca Tickell entitled, "The Earthing Movie: The Remarkable Science of Grounding" that reveals the scientific phenomenon of how we can heal our bodies by doing the simplest thing that a person can do…standing barefoot on the earth. It shares the Tickell family's journey with the healing power of grounding, aka earthing and the people they met and learned from along the way. We will also watch a short interview with the directors and then discuss each. Click here to register. Questions? Contact Lois Nelson at lnelson@oursaviours.org.

Halloween Gingerbread Haunted House-Making Event
Saturday, October 24 from 4:00 to 5:30pm
Cost: $10.00
Cari Ann Petersen will lead a Zoom event to help guide families through making a Halloween Gingerbread Haunted House. Registration is required to participate in this event as each registered family will receive a kit (or more than one if indicated) to put together during the Zoom event. Each kit will contain gingerbread house pieces and a variety of candy. To maintain freshness, the frosting will not be included in the kit, but the recipe will be provided. The kit is $10 and will need to be picked up at Our Saviour’s prior to the event. Once registered, participants will receive an email the week of the event with more detailed instructions, when to pick up the kits, and the Zoom link for the event. Click here to register.
