Kurtis Frank 847-229-0501
The Green Team’s mission is to support the ministry of OSLC while being stewards of God’s creation. Join us as we discuss environmental advocacy issues, plan Earth Sunday activities, develop Adult Education/Sunday School curricula, and participate in a variety of other activities that serve to create a sustainable environment at OSLC, at home, and in our community. “Recycle Religiously!”

MILITARY SUPPORT MINISTRY
Wes Nebel 847-741-3442
Our mission is to provide spiritual and other support to our members and friends serving in the military. We meet monthly to oversee and plan a variety of projects including: Annual mailings of care packages; quarterly devotional mailings, Cellphones for Soldiers, coupon cutting for military families, and a Veterans’ Day Prayer Breakfast. Those interested in supporting those who serve — and have served — our country are encouraged to join our ministry.

RECEPTION TEAM
Virginia Blank 847-255-8006
Jeannie Weber 847-394-0976
Marge Meier 847-870-0623
Kathy Bieber 847-670-0476
Members of this group are dedicated to providing elegant, comforting luncheons and receptions after funerals and memorial services for members and their families. Occasionally we help with other congregational parties and receptions, too. Those wishing to be a part of this ministry are added to an extensive list of people who are called on an as-needed basis. If you have the gift of hospitality, are organized, like working in a small group to plan a party, and can help out three to six times a year — sometimes on very short notice — then please join us!

WOMEN OF THE ELCA CIRCLES
Susan Erickson 847-942-5482
and Monica Brumm
Women of the ELCA Circles provide a way for women of all ages at Our Saviour’s to connect within our community and throughout the world. We develop fabulous friendships through social events and by meeting in smaller circles once a month (five different circles at five different times/days) for bible study, spiritual growth, advocacy and Christian service projects. We also have a Christian Service Circle, which meets once a month to create needed health and school kits for local and global outreach and a Quilting Group, which meets twice monthly to sew quilts for Lutheran World Relief. Volunteers need to be able to sew a straight line and use scissors. Fairly Traded Coffee is sold once a month in partnership with Lutheran World Relief to support farmers in developing countries. Volunteers are needed to help set up and sell these wares.
